

Welcome to a place to come to Life!

November 22, 2020

We want to welcome you this morning! It's a privilege to serve you. We desire that you relax and experience God's presence as He's revealed through music and the preaching of His Word. We pray today's worship experience encourages you to follow Jesus or continue to grow deeper in your personal relationship with Him. We hope you feel welcomed and know that you are loved. Faith Fellowship strives to be a place to come to Life! We would love to hear from you. Please take a moment and fill out today's [Online Connection Card](#).

We are an A2 Church aiming to fulfill Acts 2:42-47

Here at Faith Fellowship of St. Petersburg, everyone is highly valued. As we resume the in-person inside Sunday Celebration we have put several things in place to help everyone ease back inside; seating will be limited as we are only utilizing every other row of chairs and every other chair, with the exception of a whole household sitting together. We are requiring everyone who enters the building to wear a mask while they are inside. We will have masks on hand for those who may need one. Those who are medically vulnerable are encouraged to continue listening to the services [online](#). We have added hand sanitizer stations and touchless soap dispensers as well. We are moving our Sunday Celebration back to a live recording, so it will be available on Sunday afternoons rather than 7:00a.m. This allows those that are not yet able to gather together to hear the live message.

The New Creations Children's Gospel for Kids Church meets in the Fellowship Hall at 10:15a.m. for children 2 years old thru 5th grade. Masks are required for both servants and the children.

If you are new, please make yourself at home, fill out the [Online Connection Card](#). We would love to get to know you!

As a courtesy, please turn off your cell phones before service.

Our worship team will be leading us in praise and worship today. Pastor Colin Munroe or Pastor Tom Bradwell or a member of our teaching team will be challenging us through God's Word.

Desire prayer, have a [question or need any assistance](#), please let our leaders know. They are Tom Bradwell, Rob Harlan, Jerry Hurt, Buck Mills, Marty Ratcliffe, and Pastor Colin Munroe. Each has a name tag, and is ready to serve you.
